MINI GOLF AT THE LIBRARY

FAQs FOR SPONSORS

Mini Golf Fundraiser for Reed Memorial Library Foundation

REED MEMORIAL LIBRARY

The Reed Memorial Library Foundation is a non-profit organization whose purpose is to encourage donations and foster philanthropy in building an endowment for support of the library's capital projects.

How do I submit my logo?

Artwork should be emailed to rbolton7272@gmail.com in digital format. By Oct. 15th
Any format will be accepted (.jpg, .gif, .pdf, .png, .tiff, .eps, .ai, .psd- to name some of the more common formats.) File sizes should be a minimum of 50Kb and maximum of 5Mb, keeping in mind that the larger the file size, the better looking a logo will be on signage.
If in doubt, however, send what you have and we will advise you. If a sponsor uses a company that prints their business graphics, the printer can assist in providing files.
The logos used on the scorecard will be approximately 2" wide.

Hole sponsors are encouraged to bring items to enhance mini golf fun with memorable obstacles for players. You can repurpose items and/or build something to use in your business space all year long!
