What is Honorary Way?

Honorary Way is a means to publicly and temporarily honor distinguished citizens and good Samaritans for their achievements by ceremonially naming the street after them.

Where is it located?

The Honorary Way bench and street sign can be found at the corner of S. Park Way and W. Main St. – at the entrance to Veterans Memorial Park, across from the Triangle building.

How does it work?

The name of the honoree will hang from a decorative post at the center of the flower bed. Bi-Annually the Ravenna Chamber's selection committee will select a new honoree with approval from the Mayor.
